

STYLE WITH **STRENGTH & FLEXIBILITY**

The new Kontour™ Series monitor arms create efficient, productive and ergonomic workspaces. Elegantly designed with the strength of a forged aluminum body, Kontour mounts offer innovative features, easy installation, and a stylish design at a great value.

Heavy Duty Design

Sleek, solidly constructed forged aluminum arms with attractive color accents. Available in black and silver.

Ultimate Flexibility

Dynamic height adjustment using gas spring technology.

Centris™ Extreme Tilt

For the ultimate ergonomic solution.

Cable Management

Tool-free cable management covers for a clean, professional look.

Fast Installation

Simple 3-step installation and integrated quick-release interface for easy mounting and maintenance.

K1D100

Effortless Extension

Arms swivel and extend providing a wide range of motion for perfect monitor placement.
